

ASCEND

Achieving Successful Careers Exploring New Directions

SETTING SMART GOALS

Specific: Who, What, When, Where, Why, How?

Measurable: How much, how many? When is it complete?

Action Oriented: What are the steps?

Realistic: Do you have the time, resources needed?

Time-Bound: When is the deadline?

INDIVIDUAL DEVELOPMENT PLAN

Three models to consider: FASEB, APA, and AAAS myIDP tool

Self Assessment & Evaluation, Exploration, Development & Training, Goal Setting, Tracking

FASEB Outline

For Trainee	For Mentor
-------------	------------

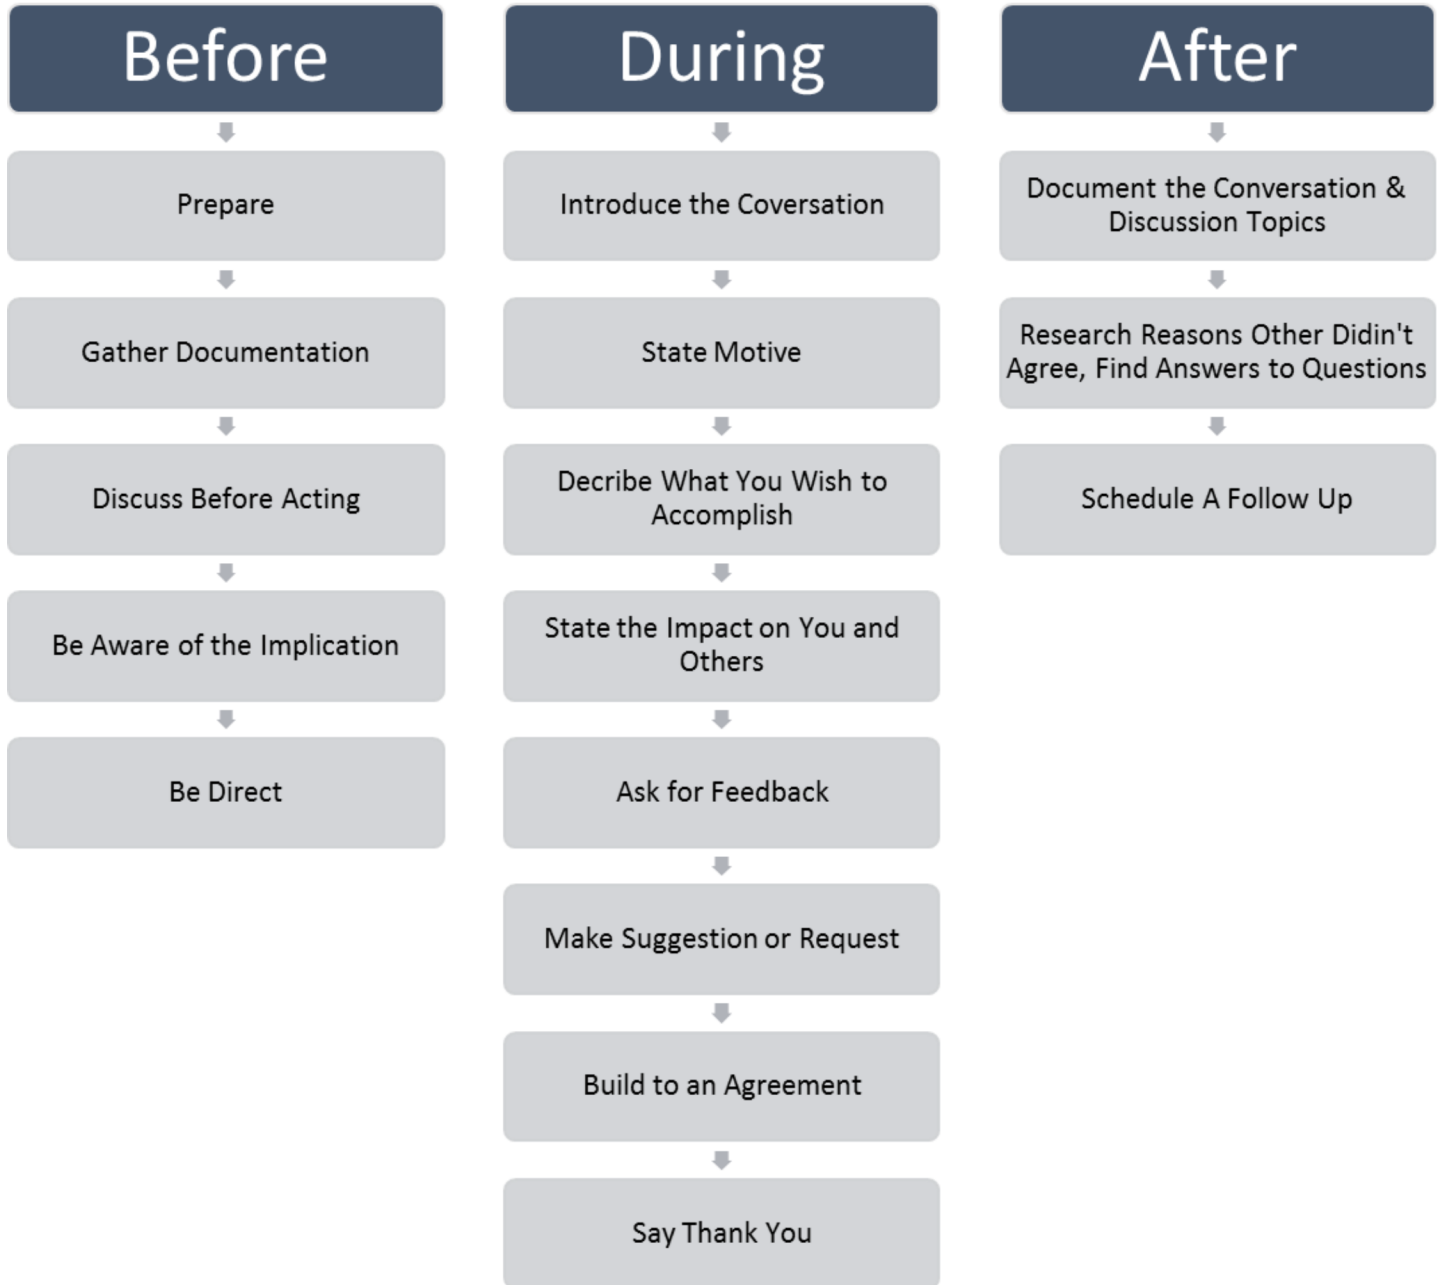

Self Assessment	1 Become familiar with opportunities
-----------------	--------------------------------------

Survey Opportunities with Mentor	2 Discuss opportunities with trainee
----------------------------------	--------------------------------------

Write an IDP, review with mentor and revise	3 Review IDP and help revise
---	------------------------------

Implement plan and revise as needed	4 Establish regular review process
-------------------------------------	------------------------------------
